

## COMPRESSORS

- Rotary Screw
- Reciprocating
- Rotary Vane
- Centrifugal
- Oil-flooded | Oil-free
- 2 hp to 500 hp | 0 psig to 5000 psig
- 10 scfm to 2500 scfm
- Fixed Speed | Variable Speed | Variable Displacement
- 10 year Platinum Warranty

- Oil-Free Centrifugal
- 150 hp to 2500 hp
- 60 psig to 600 psig
- 500 scfm to 12000 scfm

- Oil-Free Rotary Screw
- 25 hp to 500 hp
- 60 psig to 200 psig
- 100 scfm to 2500 scfm

- Reciprocating
- 200 psig to 6000 psig
- Air and Water Cooled

## DRYERS

- Refrigerated | Refrigerated Cycling
- Heatless | Heated | Blower Purge
- Heat of Compression (HOC)
- Particulate and Coalescing Filters
- Mist Eliminators
- 0 psig to 6000 psig
- 10 scfm to 12000 scfm
- Condensate Timer Drains
- "Zero Air Loss" Drains

## VACUUMS

- Water-Sealed Liquid Ring
- Oil-Sealed Liquid Ring
- Rotary Vane
- Rotary Lobe
- Lubricated
- Oil-Free
- Variable Speed Control
- 5 hp to 200 hp
- 18" Hg to 29" Hg Vacuum

## BLOWERS

- PD Rotary Lobe | Centrifugal
- Lubricated | Oil-Free
- Variable Speed Control
- 5 hp to 500 hp | 1 psig to 15 psig
- 50 scfm to 5000 scfm
- Custom Engineered Packages
- Variable Speed Control
- 5 hp to 200 hp
- 18" Hg to 29" Hg Vacuum

## COOLING

- Closed Loop Coolers – Cooling Towers
- Portable Chillers | Central Chillers
- 1/4 ton to 100 ton
- Pumping Stations
- Air-Cooled | Water-Cooled

## NITROGEN GENERATORS

- Membrane Technology
- Pressure Swing Adsorption (PSA)
- 95% to 99.999% Purity Levels
- 20 scfm to 20,000 scfm Flow Range
- Optional Gas Boosters
- Turnkey Installations Available

## LUBES

- Air Compressor Synthetic Lubricant / Coolant
- Diester | Polyglycol | PAO Polyolester | Silicon | Food-Grade
- Compatible with all compressor brands
- Oil-Water Separation Systems
- Free Lubricant Analysis
- Up to 12,000 Hour Lifecycle

## OIL-FREE AIR SYSTEM – PARTS/SERVICE

ROTARY SCREW & RECIPROCATING

- Complete Line of "Z" elements
- "MD" Dryer drums & maintenance kits
- "MD" De-mister Pads 2R, 2T, 2E, 2A
- Filters
- Lubricants
- Desiccant
- Controller System components

CENTRIFUGAL

- Rotor assemblies
- Diffusors
- Gaskets | seals | kits
- Valves
- IGV
- Bearings
- Coolers
- Filter elements
- Condensate traps
- Control panels
- Bullgears
- Lubricant

## Compressed Air Line Card

### Commitment to Service Excellence

- Factory-trained service team available 24/7/365
- Industry leader in response and communication
- Custom service agreements to fit your maintenance needs
- Turnkey installations
- Rental equipment
- Energy efficiency experts
- Focus on facility uptime

### Innovation is Our Standard Response

See the back side of this publication to learn more about our engineered solutions, such as:

ACES control energy systems & programmable logic controllers and A-PODS which are self contained, portable compressor rooms built from storage containers.

**Call Atlas Machine & Supply today about your next compressed air solution. Call today!**

**1-855-GO-Atlas (462-8527) 24/7 service**  
*Responsive Solutions for Industry Since 1907.*
